.....

We can assist you in preparing a business plan and translating your research into a market-ready product. We will show you how to approach investors or other funding sources.

DO YOUR RESEARCH RESULTS
HAVE THE POTENTIAL
to build a business? Why not
CREATE A START-UP
FOR COMMERCIAL EXPLOITATION?

.....

We are here to help you to create a start-up and identify with you the assets you have and those you'll need (labour, capital and entrepreneurial ability).

DO YOU SEE MARKET POTENTIAL
IN YOUR RESEARCH
but you want someone else
TO DEVELOP IT?

.....

Licensing to external organization
can be an option.

We are here to help you
find industrial partners to exploit
your research result.
